

Some of our recent commissions:

Brooch and tie pin

The brooch and tie pin was requested for a project that was coming to an end as a keepsake for members of the project group. The request was that the design was kept closely to their logo. It was decided to incorporate a garnet gemstone into the design.

Earrings

These sterling silver earrings were requested after we produced a bracelet with iolite gemstones. Our customer has a preference for citrine stones

Lily Pendant

Cluster Ring

One of our cluster rings, adjustable to most sizes. Our customer chose creamy white pearls and crystals

One of our hand crafted lilies with silver ball chain drops was selected, then a second lily with deep blue crystal drops. This lovely variation was suggested by the customer.

Bracelets

A silver flower bracelet with double petals and garnet gemstones was commissioned for a birthday present
